SUMMARY

Full-stack web developer with 2 + years of experience building web applications that meet the needs of the user. I am also a networking enthusiast with technical know-how in networking systems and their maintenance.

SKILLS

- HTML, CSS, JavaScript
- React.js
- Ruby
- Ruby on Rails
- PostgreSQL
- Figma (UI / UX)
- Git
- GraphQL
- GitHub CI CD
- Networking essentials
- Technical Support and Systems Troubleshooting

Projects

Funzo - <https://github.com/tonyoseko99/funzo-learning>

Funzo is a classroom platform that shows all classroom activities such as available cohorts, sessions in each cohort, announcements, and comments and gives the administration the ability to control this aspect of the classes and allow the student to have a general overview of the classes.

CyHealth - <http://cy-health-kappa.vercel.app/>

A health web application that tracks COVID-19 and its spread across the world.

EXPERIENCE

Full-Stack Software Engineer | Freelance

January 2020 - Present | Remote

- Develop responsive sites using Front-end technologies like React.js
- Create, manipulate and test API data using Postman
- Facilitate CRUD functionalities between the backend and frontend
- Design UI mockups for the websites using Figma
- Creating tests for the projects (Test driven development; Jest for front-end, and Rspec for Rails backend)

Technical Support Attache | National Social Security Fund (NSSF)

June 2021 - Sept 2021 | Upperhill, Nairobi

- Resolved user issues in interacting with the IFMIS accounting system
- Worked closely with some of the top contractors to review their installation and maintenance setups, of surveillance systems
- Undertook regular network management checks to ensure data flow was seamless within the different segments of the institution.

EDUCATION

Kenyatta University | Bachelor of Science in Computer Science

Expected Dec. 2022

- Second Class Honors

Volunteer Experience

- **Member SIKI - Mental Health Club:** I was in charge of planning and coordinating weekly meetups within the institution.
